

# HOPKINS HAPPENINGS

HOPKINS DISTRICT LIBRARY | JUN - AUG 2018

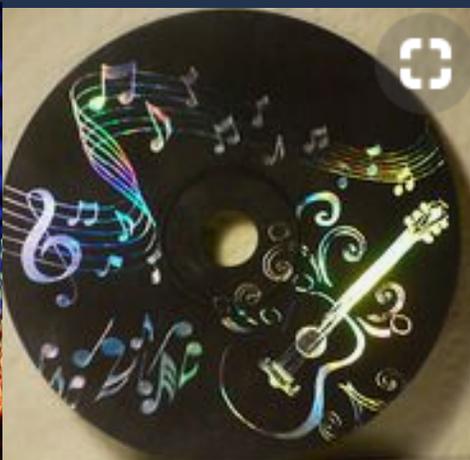

## Summer Reading Program

Summer Reading is just around the corner, but many of you might be wondering what exactly it is. Every summer libraries all around the U.S. participate in a program to encourage children to read in the months they aren't in school. To help, many libraries give out incentives to reward good reading habits. These incentives range from coupons, tickets, bookmarks, and erasers to bigger prizes like toys and games. And it's not just for kids. We give out a few adult prizes every summer as well. All you have to do is sign up and get your booklet that will help you (and us) keep track of your efforts. Summer reading kicks off June 11th. The drawing to win some of the bigger prizes is August 1st, so tickets for those must be submitted by July 31st. You can still turn in your booklets for the small prizes until mid-August, but the final prizes will have already been given out.
