## Welcome our Interim Director and soon our new Director!

Yes this and the summer newsletter will be my last ones! So I'll make it a fun one :) I've loved working with you all and hope that you have just as much if not more fun with our Interim Director, Elyshia Schafer as she leads the library while they search for a new permanent director.

Elyshia has her Masters in Library Science and grew up just outside the village here in Hopkins! She's been volunteering in Dorr for the past several years and can't wait to get to

know you all!

I hope that you will give her the same warm welcome that you gave me those years ago and keep watching the sign and facebook for news on our new director search!
