Homemade Christmas & Winter Bazaar

Are you ready to get crafty? Or buy crafty? Well, have we got the programs and sale for you! For the 3rd year we will be hosting our Homemade Christmas series at the library which includes: Glass Fused Christmas Ornaments, Snowman Coat Hooks, Candy Cane Wreaths, Swirled Paint Ornaments, and even a Community White Elephant Party with our Ugly Sweater Contest!

Get signed up fast because spots will fill up quickly. And don't miss out on our 4th Annual Winter Bazaar right here at the library. Sell your crafty creations and buy local. We love to support our local artisans right here in the Hopkins area (and who doesn't love to get their

Christmas shopping done early?). December 5th will be a Christmas filled day with Hopkins Hometown Celebration's Parade, Santa, and much more right here on Main Street and our Winter Bazaar and Santa at the library!

Watch us on Facebook for more information.

Veterans' Day - Cards and we need your help

This year for Veterans' Day we are doing something a little different. Do you know a veteran or active duty service person? On Veterans' Day we will be asking you to write a Christmas Thank You card to a veteran or active duty

person and we would like address so we can mail them out November and December.

We would like to honor our hometown heroes by sending them thank you letters personally with your help.

Letters to Santa

Are your kids already thinking of what they are going to ask Santa for? Well this year the Hopkins Library is a special drop off location for those special letters to Santa! November 30th through December 5th we will accept letters to Santa and your children will receive a letter back from Santa or one of his elves before Christmas!

Be sure to have your child include his or her name and address legibly so we can make it easy for Santa to an-

swer letters.

Would you like to be one of our elves? We will need people to write letters, address envelopes and help with the Thank You Letters to Veterans as well. Just let us know and we'll get you on a list.

Did you know we are always interested in what you want to learn? Let us know! We want to schedule classes and buy materials that you want to use.
