

## Collection Development Policy

### i. Interlibrary loan

- Interlibrary Loan (ILL) services at the Hopkins District Library assist card holders in obtaining library materials which are not available in the library's own collection.
- The ILL resources of the Hopkins District Library include Lakeland Library Cooperative arrangements and an extensive national network of public, academic and special libraries available through MeLCat. Access to this service will be provided in the most convenient manner possible for customers.
- Costs and Fees: Interlibrary Loan Services are provided as a service to cardholders of the Hopkins District Library. Overdue fines on ILL materials are in accordance with the Library's Circulation Department policy. Replacement costs for unreturned and damaged ILL materials are determined by the lending institutions
