## Keeping busy this summer

The summer is underway and going strong! The library is full of fun and exciting things to help you make your summer even better.

**Summer Reading** starts June 12th. We've got some fun activities planned and a number of new prizes for this year along with some returning favorites. Our theme this year is Building a Better World. We will have several building themed programs for kids this summer to go with our theme, including building fairy houses and marble runs. Stop in and sign up.

While your out and about this summer, don't forget to take advantage of the other programs and all around cool stuff the library has to offer. Our **1000 Books Before Kindergarten** program is still underway. It's an awesome way to preparer your young one for Kindergarten and interest them in reading from a young age.

**Ancestry.com** is still available at

## Reminder: We've can help you tech!

Are you looking for help with your new technology? Not sure how to make the Amazon Echo work with your system (don't know what an Echo is but got one for Christmas?), we can help!

## August

August 21 1pm-finish—Eclipse viewing party!!

## Hello Everyone,

I wanted to say how much I am looking forward to seeing and meeting you all as I begin my adventure as Hopkins District Library and Dorr Township Library. I have the wonderful opportunity to bring my ideas and experiences to our communities, and as I share them with you, please feel free to share your feedback with me. Here are some things already happening at the library. We are going through some spring cleaning which may continue through the summer, so we hope to refresh our space and make it more friendly and inviting. Our summer reading program is coming up and we hope to see you there. Michigan Activity Passes are also here. Spend some time with family and visit the great places of Michigan. Check out Facebook and our website for more news to come.

## An Eclipse is Coming!

On August 21st, we will have the wonderful opportunity to see an eclipse right here in Michigan. To celebrate, Hopkins District Library is partnering with Dorr Township Library to throw a party that we are inviting you all to attend. The party will be held at Dorr Township Library beginning at 1pm. Please come in and sign-up so that we can make sure we have enough materials for you. This program is made possible, in part, by NASA who is providing free eclipse viewing glasses.

**Did you know we are always interested in what you want to learn? Let us know! We want to schedule classes and buy materials that you want to use.**
